The following is an examiner's statement of reasons for allowance:

As to **claim 1**, the prior art of record, taken alone or in combination, fails to disclose or render obvious in a method of adjusting an image forming state of a pattern image projected onto an object via a projection optical system the particular optimizing and calculating step, in combination with the rest of the limitations of **claims 1-19 and 139**.

As to **claim 64**, the prior art of record, taken alone or in combination, fails to disclose or render obvious in an image forming characteristics adjusting method the particular adjusting step, in combination with the rest of the limitations of **claims 64-66 and 94-104**.

As to **claim 73**, the prior art of record, taken alone or in combination, fails to disclose or render obvious in an exposure apparatus the particular computing unit, in combination with the rest of the limitations of **claims 73-81**.

As to **claim 82**, the prior art of record, taken alone or in combination, fails to disclose or render obvious in an exposure apparatus the particular adjusting unit and storage unit, in combination with the rest of the limitations of **claims 82-83**.

As to **claim 84**, the prior art of record, taken alone or in combination, fails to disclose or render obvious in a device manufacturing method an image forming characteristic of said projection optical system is adjusted based on data of a relation between an adjustment amount

As to **claim 114**, the prior art of record, taken alone or in combination, fails to disclose or render obvious in an exposure method the particular calculating and optimizing steps, in combination with the rest of the limitations of **claims 114, 116-121, and 141**.

As to **claim 122**, the prior art of record, taken alone or in combination, fails to disclose or render obvious in an exposure apparatus the particular computing unit, in combination with the rest of the limitations of **claims 122, 124-126, and 128-135**.

As to **claim 142**, the prior art of record, taken alone or in combination, fails to disclose or render obvious in a computer readable medium the particular calculating procedure, in combination with the rest of the limitations of **claim 142**.
